About the programme

The job market is shifting rapidly: across Europe, **one in four job postings** now requires AI skills—a figure that has more than doubled since 2022. **NewFutures: AI** is built to bridge this gap, giving you a competitive edge before you even graduate, regardless of your field of study!

A Job-Ready
Portfolio

Online & self-
paced

100% Free

3 core layers

- ✓ Applied AI Skills Training
- ✓ Personalised Career Coaching
